<u>Security Audit of J&K ACB website (jkacb.nic.in)</u>

J&K Anti Corruption Bureau intends to get the security audit of the official website in order to host it at J&K State Data Center.

The website is already operational and is presently hosted at NIC Data Center. The same requires to be migrated to State Data Center as per NIC directions.

The Details of the website is as under:

https://jkacb.nic.in/

In this regard, CERT empaneled vendors are requested to submit their quotes for the same by or before 26th Dec. 2024.
